

## **Petal Water & Sewer Assistance Program Donation Request**

The Petal Water & Sewer Assistance Program's mission is to assist our Senior Citizens in helping them offset recent increases in the cost of their water and sewer fees. This program will be funded by donations from the business community as well as private citizens. To ensure that these donations to the Petal Water & Sewer Assistance Program are tax-deductible we are partnering with The Greater Pine Belt Community Foundation, which will act as the clearinghouse for the donations.

Each Petal Senior Citizen selected for participation in the program will receive a \$10 credit to his or her water and sewer bill each month for a period of 6 months. Selection for participation in the program is based on monthly income using Federal Poverty guidelines. The total number of Senior Citizens that will be selected to participate will be based on the amount of funds available.

We are asking for your help in making funds available to help our most needy Senior Citizens. Please donate whatever amount you can – large or small because each and every dollar will make a huge difference to one or more of our senior citizens. All donations to the Petal Water & Sewer Program are fully tax-deductible.

Please make your check payable to:
